Calling all Sunnyside and South Park Dads, Uncles, Grandfathers and Father Figures to join Precinct One for an honest dialogue around fatherhood, mental health and the critical role men play in early childhood development.

This is an open forum led by **Depelchins' Children Center** staff from the **Fatherhood and DADs' program**, for the community of fathers, in a judgement-free environment. Don't miss this evening of support, collaboration, and tips on a well-balanced mental wellness and parenting.
